6. (Internal Use Only - PLC) LEGISLATION Called George Gilbert, OMB, and informed him that the Senate Government Operations Subcommittee on Intergovernmental Relations had extended an invitation for the Director to testify at the hearings to be held beginning 3 October on S. 2170, the Congressional Right to Information bill. I asked if OMB would be asking for our comments on the bill. Bob Carlstrom, OMB, subsequently called to advise that OMB had sent the Agency a letter on Friday requesting our comments on S. 2170. He had knowledge of the scheduled hearings, but was unaware that the heads of any agency would be asked to testify. OMB will be finalizing an Administration position by Friday and they asked that we withhold any decision as to the Director testifying until OMB gives us their position.

7. (Unclassified - PLC) LIAISON Called the office of Senator Richard Stone (D., Fla.), to confirm the briefing at 1500 tomorrow in his office. [redacted] was advised.

6. (Unclassified - DFM) CONSTITUENT Received a call from Marion Burson, Administrative Assistant to Representative George O'Brien (R., Ill.). Representative O'Brien, in a recent appearance in his district, was told by a constituent that he had heard on a radio program that Mr. Colby was once an officer in the German SS. Burson said he was sure that this was a mistake. I reviewed Mr. Colby's wartime service including his service in the OSS and said that that must be the source of the error.

7. (Unclassified - DFM) LEGISLATION Called George Gilbert, OMB, to relay State Department's objections to our letter to OMB on H. R. 1311. Gilbert asked that I send him, very informally, my draft language to amend the bill and a brief listing of State's objections which I agreed to do.
